This well maintained 40' 3 slide Inspire from the Oregon-based Country Coach Corp is a sight to see. This model rides on the durable DynoMax chassis manufactured specifically to go under and be an integral part of the complete motorhome structure. It is the foundation for the beautiful and well-equipped home that sits atop. Unpretentious but exuding quality, you can have all the luxury without any "Look at Me" obstructing the view. Low miles and generator hours confirm the crispness found in this beautiful home.
