The low miles and generator hours on this gently used 36' Damon Challenger is reflected in the overall condition of this Ford V10 Gas powered motorhome. Fully self-contained with lots of closet and storage cabinets in the lite oak woodwork make for a great start in the class A motorhome traveling and camping. A "Hide-A-Bed" sleeper sofa and a booth type dinette that converts easily into another bed allows all the children to come along. Hydraulic jacks, awning and backup camera included.
