When you walk through this very well-maintained luxury Foretravel Motorhome, the last thing you see is the full sized 60 X 80 queen island bed waiting to cradle you in comfort. Before getting there though, you will delight at the finely crafted solid oak cabinets, the spacious open bath, gourmet kitchen and lush carpeting. This coach has the same basic body/chassis construction as its big sisters, the U295 and U320. Many more features await your discovery as well.
