This Foretravel U295 is one of the best equipped, luxurious 36' motorcoaches you will find. Don't let the year model fool you. This coach could pass for a much younger year model. 2 TV's, home theater sound, 2500 watt inverter, power cord and water hose reels, powered Girard awning and Zip Dee window awnings, leather booth dinette and living room recliner, all surrounded by rich Cherry cabinets are just the tip of the amenity iceberg. This type coach does not last long here, so don't wait.
