The classical beauty of the RS fabric sofa with the elegant dining table and chairs in this "Designer Series" blends perfectly with the Maple wood and lite colors on the ceiling accents, floors, and walls. Make no mistake, the designer touch inside and out is highly evident in this U320 but mixed in such a way that both male and female owners will appreciate. Lots of electronics for entertainment help make this a palace on wheels. Custom exterior paint design and European-style cabinetry make it truly "One Of A Kind".
